Falling in love is like jumping off a really tall building, your brain tells you it's not a good idea, but your heart tells you, you can fly.

I'd shave my legs for you. Just sayin'...

life is for deep **KISSES**, **ADVENTURES**, **midnight** **RAMBLING & conversations**

love is not about how much you say **I love you** but how much you prove that it's true.

Only a child can teach you the meaning of true unconditional love

Every love story is beautiful, but ours is my favorite.

Mothers and their children are in a category all their own. There's no bond so strong in the entire world. No love so instantaneous, complete, or forgiving.

Isn't it kind of amazing how a person who was once a stranger, can suddenly, without warning, mean the entire world to you?

THE BEST THING TO HOLD ON TO IN LIFE IS Each Other

Everlasting LOVE
